

*They'll be here any minute  
to set up our new home!*

## What we do.

Carefree Concierge looks after all of the details to ensure you have a stress-free transition.

### Our Services

#### Help Sort, Organize and Downsize.

What to Keep - Gift - Donate - Recycle - Sell - Dispose

#### Professional Packing.

All of your belongings will be handled with great care

#### Professional Movers.

To deliver and unpack everything in your new home

#### Furniture Plan.

See how furniture will work best and move efficiently

#### Make sure you're feeling settled.

We'll take time to hang photos if you wish or just chat for a while.

#### Arrange for cleaning of your old home.

Thorough cleaning through to "Market-Ready"

#### Recommendations for storage solutions.

Determine how much space is needed - offer options

**Estate Sales.** Appraisals; advertising; managing the sale; access to re-sellers; removal of remaining items

*Carefree took such good care of Mom.*

*Power-walk while Carefree power-packs!*

*What should we do first?*
